NOV 29 1957

Mr. Dale H. Smith, President
Fairfax County National Bank
Falls Church, Virginia

Dear Mr. Smith:

Thank you for your letter of November 15, 1957, indicating your interest in operating a banking facility on the Government property when the Central Intelligence Agency moves into their new headquarters building at Langley, Virginia.

Our present building plans do not provide space for the operation of private enterprise in the building and we have not yet concluded whether it will be feasible to provide these facilities elsewhere on the property. We have placed your letter in our files for future reference in the event that it becomes possible to accommodate private enterprise somewhere on the premises.

Your interest in this matter is very much appreciated.

Sincerely,

151
L. K. White
Deputy Director
